**134 Local Contract Partners Honored for Outstanding Safety Performance in 2014**

*The Contract Companies Received Gold, Silver and Bronze Awards at The Mosaic Company's Eighth Annual Safety Recognition Luncheon*

Tampa, Fla., April 29, 2015 – The Mosaic Company (NYSE: MOS) honored 134 Florida contract partners for their exemplary safety records during the company's eighth annual Contractor Safety Recognition Luncheon on April 28, 2015 at Streamsong Resort in Polk County. Most of the contract partners honored are based in local counties where Mosaic operates: [Hillsborough](#), [Polk](#), [Hardee](#) and [Manatee](#).

As part of the company's relentless pursuit of an injury-free workplace, Mosaic tracks and reports employee and contractor safety performance, including the frequency of any injuries, which is factored into the overall company performance. The individual contractor organizations contributed to Mosaic achieving its safety performance targets in 2014.

"I am impressed by the number of outstanding contractors we work with, and their shared commitment to the safety of our workforces," said Bo Davis, Mosaic Senior Vice President – Phosphate Operations. "We look forward to this annual luncheon where we recognize our contract partners for sharing our strong safety culture."

Contract partner companies were recognized in gold, silver or bronze categories for their excellence in safety leadership and performance during the past year. Contractors eligible for recognition worked more than 2,000 on-site hours at a Mosaic facility during 2014 and met established criteria for safety performance — including no significant incidents or injuries that met or exceeded Mosaic targets, and reporting requirements.

Safety recognition was awarded to individual organizations according to the following:

- Gold: met the criteria and sustained performance for five or more consecutive years.
- Silver: met the criteria and sustained performance for three or four consecutive years.
- Bronze: met the criteria and sustained performance for one or two consecutive years.

## Contract Partner Companies Honored by The Mosaic Company for their 2014 Safety Performance
